

The MD Difference

- We offer professional excavation, landscaping, irrigation and maintenance services. This allows clients to simply depend on one company from start to finish.
- MD can complete projects of all sizes from small scale residential jobs to large commercial projects.
- We offer year-round landscape maintenance services from lawn mowing to snow removal.
- We pride ourselves in exceptional, timely communication with clients via email or telephone. If you leave us a message, we will contact you promptly.
- Because of our superior customer service, we have long-standing relationships with many of our clients, some of them for over 20 years.
- Our company has been featured in many publications including Homestead Magazine, Teton Valley Magazine, Range, Teton Family Magazine, A Grand Wedding and Rocky Mountain Bride.
- Our 29,000 square foot retail storefront includes a greenhouse and garden center, gift shop, a full-service florist and Marigold Café.
- Our full-service florist averages 20-25 weddings per year.
- Our garden center is open year-round and has one of the region's largest seasonal selections of hardy plants, pottery, outdoor furniture along with seasonal home décor and unique gift items.
- Our commitment to the industry allows us to constantly train in new practices and techniques. Our certifications include; Arborist, Certified Irrigation Contractor, Certified Master Gardener and Licensed Spray Applicator in Idaho and Wyoming. MD requires employees to collectively receive 2000 hours of training per year.
- Our best asset is our employees. We have a low turnover rate and our employees really enjoy what they do. It's satisfying to make our clients' landscapes come alive and complement the natural surroundings.
- MD proudly employs 150 seasonal and 40 year-round employees.
- We are actively involved in our community and frequently donate to our schools, sports teams and local nonprofits.
